Hospital Healthcare Tracker

Healthy Advice®
SMART CHOICES. SIMPLE STEPS.™

Use this chart to keep track of the doctors who visit you while you are in the hospital and what medicines they prescribe. Be sure to show this to your primary care physician after you leave the hospital.

Visited By: (date & time/name/ specialty/phone number)	**Medicine Prescribed:** (why/dosage/ directions to take)	**Follow-Up Visit:** (date/time)	**Questions for Next Visit:**
